

REMARKS/ARGUMENTS

The parent application, Serial No. 09/527,478, filed March 16, 2000, had been allowed, and the issue fee paid on the date of filing this Divisional Application. The allowed system claims are cancelled from this application, the previously non-allowed method claims are presented in an amended form, and a new independent claim and dependent claims are presented for examination. Applicants believe that the amendment to the previously non-allowed, method claims render these claims allowable.

In light of the foregoing amendment and remarks, the Examiner is respectfully requested to reconsider the rejections and objections stated in the Office action, and pass the application to allowance. If the Examiner has any questions regarding the amendment or remarks, the Examiner is invited to contact the undersigned.
